II ALIVE IN OUR MEMORIES FOREVER II

KARMA YOGI M. M. KOTHARI

Our Founder Chairman

(25th July 1925 - 27th November 2015)

"The soul never takes birth and never dies at any time nor does it come into being again when the body is created. The soul is birth less, eternal, imperishable and timeless and is never destroyed when the body is destroyed."

Chairman's Message

Dear Fellow Share Owners,

I once again feel immensely pleased to be amongst the august stake holders in the annual meet of the Company and delighted to be part of this journey together spanning for more than three decades.

We have together witnessed illustrious past and evolving future and I express my deepest gratitude to each and every one of you for reposing your confidence on the management and surely hope that it will continue.

Our unrelenting commitment towards inclusive growth in a sustainable/ pragmatic manner has been effective in conducting our operations on the principle of "Going beyond business".

During the period under review, as anticipated, the economic environment remained under pressure both in terms of value and margins. In spite of the slow down, we performed well as is evident from the report before you. But beyond anyone's imagination, an un- anticipated/ disastrous event unfolded all over the globe which has smothered our growth in the ensuing year.

During the last quarter of the period under review, the onset of unprecedented pandemic of Covid - 19 dealt a severest blow of the century on the global economic health, the magnitude of devastation has led to a tectonic shift in the whole world's future economic scenario. This is still continuing unabated and India is no exception.

India, the 5th Largest Economy in the world has not been insulated from devastation of this magnitude. A fall in the optimism levels amidst heightened uncertainty has led to a '**double whammy**'. On the one side global supply chain disruptions and on other side a steep fall in the consumption resulting in slow down/ disruption of all economic activity around the globe. More so in view of the fact that pandemic is far from over

In such times of uncertainties', International Trade segment will remain under tremendous pressure both in terms of value and margins which would also be a great challenge to your Company. Your Company is quite aware of the situation and exploring new Business Models and aligning in to this evolving economic scenario. The Management is optimistic to leverage itself to these future economic encounters.

With the initiative of **"Atmanirbhar Bharat"** by boosting scope for private participation in various sectors, the Govt. of India has taken a decisive resolve with an apt tagline **"Vocal for Local"**. The results shall be evident in due course in making our country self reliant. Also, various fiscal stimulus and relief measures announced by RBI and the Govt., paved way to protect the economy from the adverse impact of the ongoing Covid-19 crisis. However, the challenges are immense and we should be ready for this **"new normal."**

For over more than 3 decades, your Company has continued to grow and evolve, creating value for the share owner, but in these difficult times financial prudence requires to conserve the resources which you will definitely endorse as it is an imperative step to be prepared for continuing rough weathers temporarily but we are sure that we will continue to strive ahead.

Businesses in India started to resume operations gradually from June 2020 onwards, and your Company is also scaling up the activities slowly and cautiously, we therefore expect improvement in domestic trade and real estate business in future. Your company will be able to tide over properly and shall also embark upon other trade/ business prospects including diversification through operational excellence and dedication.

In the end, I extend my thanks to all the stake holders of the Company, business associates and dedicated/ devoted TEAM who has helped us tide through the present tough times and are prepared to achieve our goals of the future.

With lots of Thanks,

Deepak Kothari

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The information, as required under SEBI (Listing Obligations & Disclosures Requirements) Regulations, 2015 is as under:-

a) INDUSTRY STRUCTURE AND DEVELOPMENTS

The COVID-19 outbreak comes at a time when global economic headwinds were already high and threatens to disrupt the global economy with fears of recession looming in many countries. India, the 5th Largest Economy in the world has not been insulated from this shock. A fall in the optimism levels amidst heightened uncertainty has led to a 'double whammy'. Closure of businesses leading to global supply chain disruptions and a steep fall in the consumption resulting in slow down of all economic activity around the globe. More so in view of the fact that pandemic is far from over and there are instances of a second wave and uncertainties of future lock downs can not be ruled out.

The pandemic has resulted in acute market volatility/ disruptions across the globe and in these uncertain times there is also apprehensions on whether or not India will be able to attain some collateral gains from these changes and can become self-reliant country as per "Atma-nirbhar Bharat Abhiyan" announced by the Govt. The government emphasis is more to increase export and hence both headwinds and tailwinds are operating around the globe which will impact the future course of our trade.

India's economy was weak in 2019, but appeared to be near a trough. Just as the economy was starting to look up at the beginning of this year, the rising tide gave way to the COVID-19 shock. The lockdowns and rising public anxiety about the virus led to a sharp deterioration in economic activity in India. After a deep contraction in the April-June quarter, we expect the economy to rebound very gradually in the near short term.

b) OPPORTUNITIES & THREATS

With the initiative of "Atmanirbhar Bharat" by boosting scope for private participation in various sectors and encouraging

manufacture and production of various products, the Govt. of India decided to re-package its earlier version of "Make in India" movement into a new tagline "Vocal for Local".

Also, the government and RBI have come out with a fiscal stimulus and relief measures majorly loan moratorium scheme and reduction of Repo rate to protect the economy from the adverse impact of the ongoing Covid-19 crisis. However, the prospects for the export sector are not projected to see an improvement owing to uncertainties around the world due to continuing Covid 19 pandemic.

As the Company deals in international trade, it is exposed to foreign currency risks but fluctuation risk is minimized to the great extent by natural hedging. Company also has in house treasury with well-defined hedging policy through which company monitors its currency exposure on continuous basis and employs various hedging tools like forward cover, options etc.

Company does have comprehensive risk management system in place which includes internal controls which are commensurate to the size and nature of the inherent risks of company's businesses. These Risk Management system and processes enable the company in identifying and managing the risks appropriately.

c) SEGMENT-WISE PERFORMANCE

In trading division company's emphasis is on consolidation and diversification instead of expansion. The revenue of the Trading division during the year under review has been Rs. 250047 Lacs as compared to Rs. 325701 Lacs during the previous year and that of the Real Estate etc., has been Rs. 1729 Lacs as compared to Rs. 3930 Lacs during the previous year. The profit before tax and interest from both the aforesaid division is at Rs. 8752 Lacs and Rs. (-) 86Lacs respectively as compared to previous year figures of Rs. 1467 Lacs & Rs. 3524 Lacs respectively.

d) OUTLOOK:

As a result of these developments, global growth is now projected to slow down and with uncertainty around the world due to Covid 19 pandemic the trade tensions increasingly taking a toll on business confidence internationally. However, with some positivity like the development of vaccine of Covid 19 pandemic and ease out in lockdown measures by various countries to boost their economies, the business around the globe show some signs of pick-up gradually and your company would also perform well in international trade.

Businesses in India started to resume operations partially/ gradually from June 2020 onwards, and your Company is also scaling up the activities slowly and cautiously, although with the stable government at the center and "Atmanirbhar Bharat" initiative, we expect improvement in domestic trade and real estate business in future.

The period of crisis and uncertainty in the markets is expected to take its own time and largely depends upon the pandemic situation to subside in due course, upon which your company will be able to tide over properly and shall also embark upon other trade prospects including diversification.

e) RISKS AND CONCERNS:

These aspects have been mentioned under the Heading "Opportunities and Threats".

f) DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE COMPARED TO THE IMMEDIATE PREVIOUS FINANCIAL YEAR)

Sl. No.	Financial Ratios	2019-20	2018-19	% Change	Remarks for Variation

To
The Members of
Kothari Products Limited

REPORT ON THE AUDIT OF THE STANDALONE IND AS FINANCIAL STATEMENTS

OPINION

We have audited the standalone financial statements of Kothari Products Limited ("the Company"), which comprise the Standalone Balance Sheet as at 31 March 2020, the Standalone Statement of Profit and Loss (including other comprehensive income), Standalone Statement of Changes in Equity and Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2020, and profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

BASIS FOR OPINION

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Financial Statements' section of our report.

We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended March 31, 2020. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind AS financial statements. For each matter below, our description of how our audit addressed the matter is provided in that context.

1. Impact of the COVID-19 Pandemic on the Company's ability to continue as a going concern:

The company is primarily engaged in exports and its receivables comprise of debts due from various overseas parties. Thus vis-à-vis the company, the impact of COVID-19 pandemic on recoverability of its receivables and future business prospects, on its ability to continue as a going concern required extensive verification procedures, analysis of the post Balance Sheet events, management discussions and judgements.

How our audit addressed the key audit matter

For the matter referred to above, our procedures included, among others, verification and recovery pattern of all material export receivables upto the date of completion of our audit, other relevant documentation/correspondence, including correspondence with Banks, customers, on-going/pending export orders and shipments to the various parties, assessing management's conclusions etc. in view of the laid down accounting and measurement principles.

2. Verification of inventories as at the close of the year:

In view of the fact that a nationwide lockdown was in force as at the reporting date, the inventories as at the said date could

not be verified physically. Thus recognition and valuation of inventories as at the reporting date required extensive verification procedures, analysis of the post Balance Sheet events, management discussions and judgements.

How our audit addressed the key audit matter

For the matter referred to above, our procedures included, among others, verification of material items of inventories after the close of the year and reconciliation of the same to the closing inventories as at the reporting date; analysis of impact of fall in recoverable prices on the value of the stock in trade, verification of documents and records submitted to various authorities, including revenue authorities; checking of documents evidencing movement of material after lifting of the lockdown, discussions with management etc.

EMPHASIS OF MATTER

Reference is invited towards Note No.47 which describes the change in classification of certain items of the Balance Sheet, which has resulted in reclassification of the corresponding said items for the preceding year as well. The company has not presented a third balance sheet as at the beginning of the preceding period as required under Ind-AS-1, since in terms of Para 40A thereof, such reclassification is said to not have a material effect on the information in the balance sheet at the beginning of the preceding period.

Our report is not modified in respect of the above matter.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. However the 'other information' has not been made available upto the date of this report.

After the Other Information is made available to us, if, based on the work we have performed, we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's management and Board of Directors are responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the state of affairs, profit (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in Para 2(f) under 'Report on Other legal and Regulatory Requirements' section of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER SECTION 143(3)(I) OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls with reference to financial statements of Kothari Products Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

In our opinion, to the best of our information, and according to the explanations given to us, the company has, in all material aspects, an adequate internal financial control's system over financial reporting and such internal financial controls with reference to financial statements were operating effectively as at March 31st 2020, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in Guidance Note of Audit of Internal financial Controls Over financial Reporting issued by the Institute of Chartered Accountants of India.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal financial Controls over financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal financial controls with reference to financial statements (the "Guidance Note") and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

MEANING OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

A company's internal financial control with reference to Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS WITH REFERENCE TO FINANCIAL STATEMENTS

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control with reference to Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

- (iii) Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- (iv) An item of Property, plant and equipment and any significant part initially recognised separately as part of Property, plant and equipment is de-recognised upon disposal; or when no future economic benefits are expected from its use or disposal. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

4. IMPAIRMENT

At the end of each reporting year, the Company reviews the carrying amounts of its tangible and intangible assets to

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Goodwill and intangible assets that do not have definite useful life are not amortised and are tested at least annually for impairment. If events or changes in circumstances indicate that they might be impaired, they are tested for impairment once again.

Cash and cash equivalents in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to insignificant risk of changes in value.

19. OFFSETTING OF FINANCIAL ASSETS AND LIABILITIES

Financial assets and Financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, or to realize the assets and settle the liabilities simultaneously.

20. SHARE CAPITAL

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options and buyback of ordinary shares are recognized as a deduction from equity, net of any tax effects.

21. GOVERNMENT GRANTS, SUBSIDIES AND EXPORT INCENTIVES:

Government Grants are recognised at their realizable value when there is reasonable assurance that the grant will be received and all the attached conditions will be complied with.

When the grant relates to an expense item, it is recognised as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognised as income in equal amounts over the expected useful life of the related asset.

The company has not presented a third balance sheet as at the beginning of the preceding period as required under Ind-AS-1, since in terms of Para 40A thereof, such reclassification is said to not have a material effect on the information in the balance sheet at the beginning of the preceding period.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT FOR THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cashflows and consolidated statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are

reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. Those respective Board of Directors of the companies included in the Group and of its associates are also responsible for overseeing the financial reporting process of the Group and of its associates.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED IND AS FINANCIAL STATEMENTS.

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary Companies which are companies incorporated in India has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements, of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2020 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

OTHER MATTER

1. We did not audit the financial statements and other financial information, in respect of six (6Nos.) subsidiaries, whose Ind AS financial statements include total assets of Rs.115,826 Lakhs as at March 31st, 2020 (PY Rs. 167,824.64 Lacs), and total revenues of Rs.172,820 Lakhs for the year ended on that date(PY- Rs. 250,662.02 Lacs). Certain subsidiaries are located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in the respective country and which have been audited by other auditors under generally accepted auditing standards applicable in their respective countries. The Company's management has converted the financial statements of such subsidiaries and associate located outside India from accounting principles generally accepted in their respective countries to accounting principles generally accepted in India. Our opinion above on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements and other financial information certified by the management.

- (i) Property, plant and equipment are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.
- (ii) The initial cost of an asset comprises its purchase price (including import duties and non-refundable taxes, if any), any costs directly attributable to bringing the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management, borrowing cost for qualifying assets (i.e. assets that necessarily take a substantial period of time to get ready for their intended use).
- (iii) Subsequent expenditure is capitalized only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.
- (iv) An item of Property, plant and equipment and any significant part initially recognised separately as part of Property, plant and equipment is de-recognised upon disposal; or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the assets is included in the Statement of Profit and Loss.
- (v) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each Financial year end and adjusted prospectively, if appropriate.
- (vi) Depreciation on property, plant and equipment is provided on prorata basis on straight-line method using the useful lives of the assets estimated by management and in the manner prescribed in Schedule II of the Companies Act 2013. The asset wise details of useful lives considered for purposes of calculating depreciation are as under:

3. INTANGIBLE ASSETS

Intangible assets with finite useful lives that are acquired separately are carried at cost less accumulated amortization and accumulated impairment losses. Amortization is recognized on a straight-line basis over their estimated useful lives. The estimated useful life and amortization method are reviewed at the end of each reporting year, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

4. IMPAIRMENT

At the end of each reporting year, the Company reviews the carrying amounts of its tangible and intangible assets to

determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

Recoverable amount is the higher of fair value less costs to sell and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Goodwill and intangible assets that do not have definite useful life are not amortised and are tested at least annually for impairment. If events or changes in circumstances indicate that they might be impaired, they are tested for impairment once again.

5. INVESTMENT PROPERTY

Investment Property is property (land or a building – or part of a building – or both) held either to earn rental income or for capital appreciation or both, but not for sale in the ordinary course of business, used in production or supply of goods or services or for administrative purposes. Investment Properties are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

Any gain or loss on disposal of investment property calculated as the difference between the net proceeds from disposal and carrying amount of the Investment Property shall be recognized in Statement of Profit and Loss.
